Further procedure in school-opening

Primary 4s will continue lessons they began 4th of May.

From 25th of May **all** our classes will be invited to attend school on **two days** of the week for **four hours** each day.

The class teachers have distributed the timetables for this period.

Hygiene und Health:

Everyone; adults and children **must follow** the school **hygiene rules**

(**Keep distance** 1.5m, - **wear masks** voluntarily, - **washing hands** mind 30s, - **cough and sneeze** in your elbow, - **sick pupils stay at home**)

Suspected Corona or Corona-ailment:

Should a member of your **direct family** or a **person in close contact** to your family be **suffering from Corona**:

Your child may not enter the school!

Contact the **school office!** - 040 42876 21 0

Contact your **home doctor!**

Contact the **health department /Gesundheitsamt!** 040 42854-2542

Sick children should not attend school.

Pupils are also exempted from all lessons, if they are not ill but **a member of their family or the persons they live with is at high risk of infection**. When any person in the family community is taking immune suppressive medication (e.g. for transplantations, cancer patients, anyone with RA etc.). This also applies to all teaching staff taking the same medication.

Further procedure in school-opening during the Corona-pandemic

Hamburg, 15th May, 2020

Emergency care:

We offer emergency care during the school-opening for the other days of the week.

Please use the emergency care sparingly, for the best Hygieneplan observance.

Registration /Anmeldung for emergency care, use the **formula /Anmeldungformular** on the school homepage till 16h one day in advance.:

<https://elbinselschule.hamburg.de/2020/03/14/anmeldung-notbetreuung/>

Communication – keeping in touch:

The teachers will be keeping in close contact with you and your children (e-mail, messenger, telephone). Important **contact options** must be communicated with your child's class teacher if you have not already done so.

Homeschooling and learning at home

Discuss the **daily routine** with your child/children.

Write together with your child/children a **timetable**.

Daily learning times for Homeschooling:

Primary 1 and 2: ca. 2-3 h seated

Primary 3 and 4: ca. 3- 4 h seated

Not to forget: movement, music, dancing, fresh air, art, crafting, laughing and having fun and of course tidying up!

Concerns: Check in our Concern pages /"Sorgen-Seiten" for help offers:
